Fun Productions Event Promise

At Fun Productions, we provide you with more than fun and games. We offer the following event promise. Insist on the highest standards to ensure that your school event is a great success!

1. WE WILL ALWAYS SHOW UP! You will not be left wondering if the company you hired to bring your games & activities is reliable. Fun Productions has been renting games for the best events in Colorado including 100+ school events per year since 1991 without letting anyone down.

2. WE ARE SAFE! We exceed state guidelines for safety. We properly maintain, anchor, & inspect all of our games rigorously before and after every rental. We are proud of our record of no serious injuries or insurance claims in our entire history. Our safety attendants are included on inflatables. Be sure to ask other game operators about their safety standards.

3. WE ARE INSURED! Our insurance meets and sometimes exceeds state requirements. Our carrier is A+ rated and not offshore. We can also provide you with additional insured certificates at no cost, potentially saving you hundreds on your own insurance policies.

4. WE HAVE CLEAN, QUALITY EQUIPMENT! Our games are not mildewed and smelly, torn, or ripped, or full of dirt and sand. They are cleaned after every rental.

5. WE WILL BRING YOU WHAT YOU ORDER! Our systems prevent overbooking so you won't get a call saying you are getting a Bungee Run instead of the Velcro Wall you ordered.

6. WE EMPLOY THE BEST STAFF! Our staff cares about their job and are employees with benefits, etc. We do background checks, personality assessment testing, a rigorous three-interview process, training procedure and have a stringent uniform policy. Oh, and have we mentioned that they are always knowledgeable, courteous and willing to help any way they can.

7. WE CARE! We are a family owned and operated company and we love what we do. Providing FUN for parties is not something we do as a hobby or side business out of our garage. We are a full-time staff of 15-35 in a 10,000 square foot warehouse and dedicated to professionalism.

8. WE ARE NOT A STOP AND DROP COMPANY! You will not need extra volunteers to set up our equipment, that is our job! Our rental includes full service delivery, set-up and pick-up.
